

Machine for Sale – Available Now

Brand New Mechanical Cutter – Great Price!

New slit cutting system, designed for portioning traybake products such as shortbread, flapjacks and brownies.

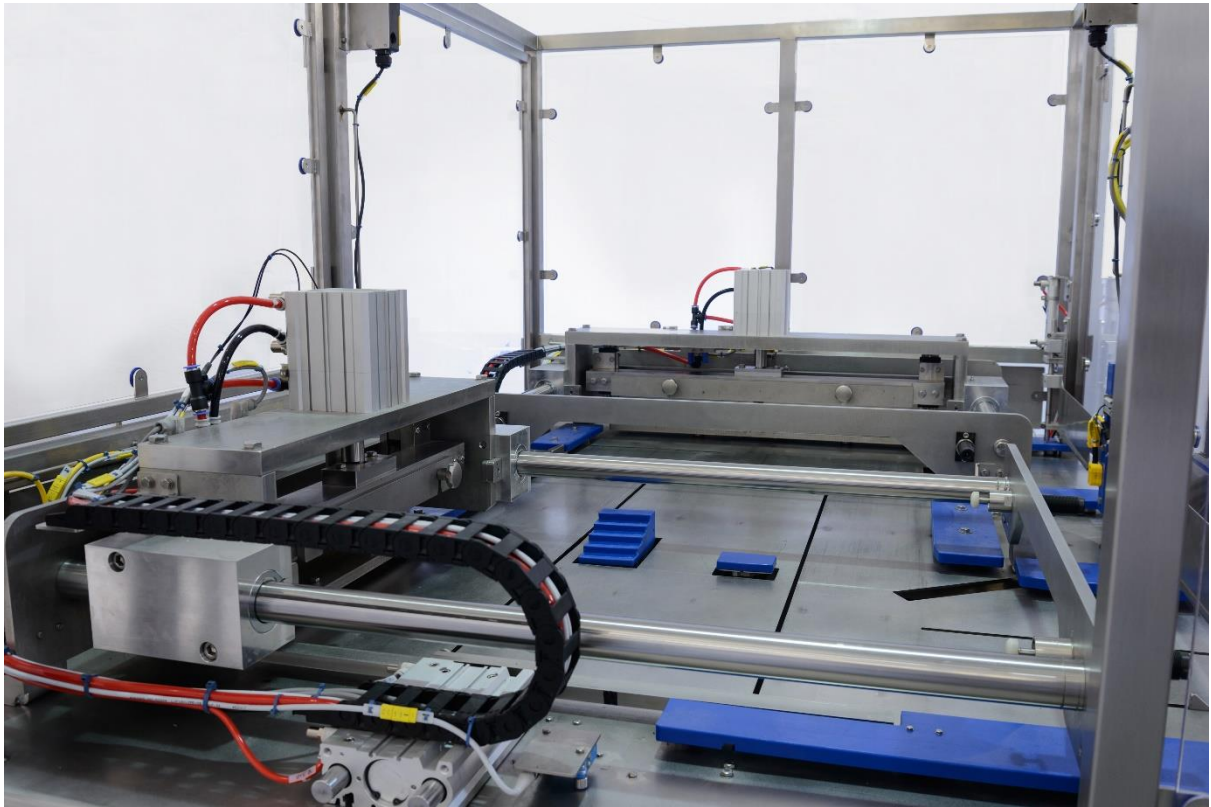

Key features

- Designed for industry standard 18" x 30" tray brake products such as shortbread, flapjacks and brownies
- The length and cross cuts are performed by two cutting assemblies with the product automatically transferred between the cutting positions
- Fitted with interchangeable stainless-steel blades, allowing for various portion sizes
- Fully Stainless-Steel construction
- Clear PETG panels provide clear viewing of the cutting process
- Hygienic design
- Interchangeable blade assembly storage for quick changeover
- Colour HMI
- Remote access capability
